Performance notes:

Singing should grow out of the tape.

Rhythmic and spatial notation are only a rough guide; sing with much rubato and expression.

Accidentals only apply to the notes they are attached.

Performing with a stopwatch is permissible, although not preferred.

Each line represents approximately 15 seconds of the piece.

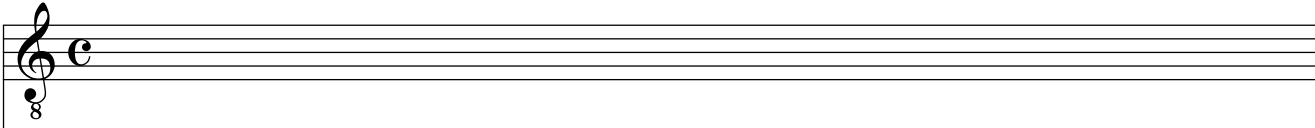

Text:

I pray that out of his glorious riches he may strengthen you with power through his inner being, so that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love, may have power, together with all the saints, to comprehend how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge -- that you may attain to the measure of all the fullness of God.
